

PINECREST ELECTRONIC NOTIFICATION FORM

Under the California Civil Code, the Association has an opportunity to dramatically reduce printing and mailing costs by providing certain information to its members via "general notice". Your participation will help keep future assessment increases to a minimum.

Certain items previously required to be printed and mailed separately to members, may now be made available electronically, through a website, emailed, posted on-site, included in monthly billings, newsletters or other Association media. **However, this requires the written permission of the member.**

Please sign and return via email, postal mail, fax, or personal delivery as soon as possible.
